

ASSISTED SALE

We can help take the hassle out of selling your home

WE'LL HELP YOU SELL YOUR HOME

If we're unable to help on part exchange, we can help take the hassle out of selling your home with Assisted Sale. We can help take the stress away by using our network of estate agents to value your property and then market it for the best price.

HOW WE CAN HELP...

- We use our 30 years of expertise and strong network of estate agents to value your property
- We then market it for the best price so that you don't have to worry about it
- We pay the estate agent fees for you, so there's no cost to you!

BENEFITS OF ASSISTED SALE

- Saves time and money
- FREE expert advice to help sell your home
- Maximise your chances of a successful sale

HOW TO APPLY FOR AN ASSISTED SALE?

- Speak to a friendly Oakmere Sales Adviser at your chosen development or call Oakmere head office on 015395 60605
- We'll invite you to meet with one of our Sales Advisers to chat through the options available to you and find out some more details on your current property. Our sales manager may need to view the property
- We'll offer you free advice on any alteration that could be made to your property to get you the best possible price
- We'll then put you in touch with the best agents in the area and arrange for 2 valuations to be made on your property
- Our network of agents will then market your property at the best possible price and give you an estimated expected sale date
- Once your property is sold you will be able to make a reservation on your dream Oakmere Home
